### 633. Division of Responsibility under Lease.

SUBMITTED letters agreeing the figures set out in Minute 619 of last Committee from:—

Accountant	of Brighton Company,	dated 28th Oct.,	1887.
Do.	„ South Eastern „	„	7th Nov. „
Do.	„ Great Eastern „	„	9th „ „

## 634. Land at Shadwell—London School Board.

9th Nov.  
1887.

REFERRED to Minute 247 of 8th July, 1885, submitted the following copy correspondence, communicated to this Committee by Mr. Fearn, the Solicitor of the Great Eastern Company, who is protecting the interests of the Lessees.

" EAST LONDON RAILWAY COMPANY,  
" LONDON BRIDGE STATION, S.E.  
" October 22nd, 1887.

" EDWARD N. CLIFTON, Esq.,  
" 7, EAST INDIA AVENUE, E.C.

" DEAR SIR,

" It has been officially intimated to me that you will in all probability next week proceed to award a division of the purchase-money to be received from the London School Board as between this Company and the East London Railway Joint Committee.

" On reference to the Minutes of a Meeting of the Joint Committee, held in July, 1885, I find that it was proposed that the matter 'of the division of the purchase-money' (*sic*) should be left in your hands, but as this proposition has not been brought before my Directors, I would beg to suggest to you the advisability of your deferring to take any irretraceable steps herein previous to my placing the facts of the case before the Board of this Company, which I could speedily do, and thus the possibility of any misunderstanding arising hereafter would be prevented.

" I have not a copy of the Notice to Treat in my possession, but so far as I recollect this was served upon the Company previous to the 1st October, 1884, *i.e.*, when the lease of the Line came into operation. If this be the case and the sale had been promptly effected there can be no question but that this Company would have received the entire proceeds.

" As the land and houses (Palmer's Folly) have been disposed of with the consent of the Lessee Companies who have granted an easement to the School Board over the covered way, I cannot see how they could successfully support a contention that the land, &c., is required for Railway purposes. It appears to me, therefore, that as it is now *ipso facto* admittedly not required for the Railway, that I may ask you to consider whether it should not be regarded absolutely as surplus and the property of this Company? Whilst the Lessee Companies have undoubtedly by Clause 38 of the East London Railway Act, 1882, to retain for their use land specially necessary for Railway purposes, I have failed to note that they have any right conferred upon them which empowers them to derive any direct benefit from a sale of the Company's property.

" Requesting that you will let this receive your attention, and favour me in due course with a reply,

" I am,

" Yours faithfully,

" (Signed) R. LACEY.

" Secretary."

" DEAR SIR,—

" I have to acknowledge your letter to me of the 22nd inst.

" It is not my intention to arrive at any decision until I have heard the several parties interested, and will take care that proper notice of any meeting is given to the Solicitors of the Companies.

" I have sent a copy of your letter to Messrs. Wilson, Bristows & Carpmael, and also to Mr. Fearn.

" R. LACEY, Esq."

" Yours faithfully,  
" (Signed) EDWARD N. CLIFTON.

On the motion of Sir Sydney Waterlow, seconded by Lord Claud Hamilton.

Resolved,

That Mr. Clifton be informed, that the portions of land at Shadwell belonging to the Lessors and the Lessees were set out and coloured upon the plan sent to him, and so far settled for the purpose of the lease, and that the reference to him is for the apportionment of the purchase-money between those portions of land.

## 635. Warning Bells for Platelayers.

SUBMITTED recommendation from Mr Brady (Engineer of maintenance) that alarms be provided for the tunnel between Rotherhithe and Deptford at a cost of about £30.

Resolved,

That the same be provided.

## 636. Accident and Claim—Mrs. Hyams.

READ letter from Messrs. Wilson, Bristows and Carpmael of 19th ult., reporting, that, in pursuance of the instructions of Minute 625 of last Meeting, they had settled this claim for £12. 12s. compensation and £3. 3s. costs.

Approved.

## 637. Thompson's Action.—Accident at Whitechapel.

REFERRING to Minute 622 of last Meeting, read report from Messrs. Wilson, Bristows and Carpmael of 31st ult., stating that this action, tried in the Lord Mayor's Court on the 26th ult., resulted in a verdict for the Committee with costs; but that, as the plaintiff is without means, there is no chance of any part of the costs being recovered.

## 638. Whitechapel Station Steps.

ON recommendation of Secretary and Manager, handrails were ordered to be placed in the centre and at the sides of the steps leading from the entrance-hall to the booking-office of Whitechapel Station.

## 639. Parliamentary Solicitor.

RESOLVED—

That Mr. E. Bristow, the solicitor of the East London Company, do represent this Committee to protect its interests in Parliament in the ensuing Session.

## 640. Arbitrator's Re-appointment.

ON the motion of Sir Sydney Waterlow, seconded by Mr. Parkes,

Resolved,—

That Mr. Henry Tennant be appointed Standing Arbitrator for the ensuing year.
